**Assam Electronics Development Corporation Ltd. (AMTRON)**  
**(A Govt. of Assam Undertaking)**  
**Industrial Estate, Bamunimaidan, Guwahati – 781 021, Assam**

Tender No:AEDC/RGCEP/Ph.I/2011/1379  
Dated Guwahati the 12<sup>th</sup> December, 2011

Assam Electronics Development Corporation Ltd. (AMTRON) has been retained by the Government of Assam as the implementing agency for the revised ICT@Schools Scheme in the schools of Assam, named as the Rajiv Gandhi Computer Education Programme (RGCEP).

Sealed tenders affixing court fee stamp of minimum value of Rs 8.25/- containing (a) Pre-Qualification Bid, (b) Technical Bid, (c) Commercial Bid in separate sealed envelopes are invited from reputed Organizations for the supply of computer hardware, software and connected accessories and provision of computer education services in 2209 Government High and Higher Secondary Schools in Assam on BOT (Build, Operate and Transfer) basis. Additional schools will be added subsequently, subject to availability of funds.

1. Eligibility Criteria

- a. The bidder must be a Public Limited Company having registered in India and in existence for last five years as on 31-03-2011 and having at least five years experience of computer education in schools. Consortium in any form is not permitted.
- b. The bidder should have cumulative turnover during last three financial years (2008-09; 2009-10; 2010-11) of minimum Rs 125 crores in Educational Services & Training in India.
- c. The bidder should have executed similar school computer education project under BOT/BOOT model with any other State Government(s) in North East Region (NER) of India, for at least 50 (Fifty) Government schools for a single State Government for a minimum period of 3 (Three) years.
- d. The bidder should have expertise in developing multimedia educational software and should have experience in providing computer based/web based training in FOSS/GNU Linux/MS Windows platform including development of courseware/content in Assamese/Bengali medium.
- e. The bidder must have appropriate quality certifications like ISO 9001:2001 etc.
- f. The bidder must bid for all the schools.
- g. All experiences regarding eligibility criteria will be pertaining to experience in India only. Experience outside India will not be eligible for qualifying under this Tender.
- h. The bidder should have adequate financial resources to undertake the contract. The Bidder will submit a letter from a financial institution that is willing to fund this project or should have sufficient reserves of minimum Rs 40 (Forty) Crores as per the audited financial statement.
- i. The bidder should have a company office in the state of Assam. However, if the local presence is not there, the selected bidder should give an undertaking for establishment of an office, within one month from the date of award of the contract.

2. Brief scope of work
  - a. RGCEP shall be implemented in High/Higher Secondary schools of the state from classes VI to XII.
  - b. The programme for the Classes VI to VII shall be on the lines of computer literacy and awareness, whereas for the rest of the higher classes, “Computers Science” shall be offered as an “Elective” subject to the students.
  - c. The assessment of the students shall be carried out for classes VIII-XII as a part of the regular examination and the marks awarded shall be reflected in the mark sheets of the students.
  - d. AMTRON shall prescribe a syllabus with approval by the authority concerned and shall provide the course content for the RGCEP.
  - e. The bidder is to transact the “Computer literacy and Awareness” and “Computer Science” as per the recommended syllabus.
  - f. The present syllabus is developed on neutral operating system encouraging the use of Free and Open Source Software (FOSS), which will get updated from time-to-time.
  - g. To supply computer hardware, software and connected accessories and provide computer and computer aided education services in the specified schools on BOT basis as prescribed in the Tender Document for a contract period of 5 years.
  - h. To provide and maintain in working condition the supplied and installed computer hardware, software and necessary accessories and infrastructures like scanner, printer, projectors, camera, UPS, generators, furniture and electrical fixtures during the contract period as prescribed in the Tender Document.
  - i. To provide web based school MIS in each school ensuring data management, analysis and reporting. This website MIS would be an integral part of the RGCEP Portal.
  - j. To assist the school administration, teachers and stake holders in computer aided teaching, using Information Technology in administration, MIS, Web Site etc.
  - k. The schools shall use the school MIS to generate the related MIS, online results, time-table, school attendance etc.
  - l. To provide one full-time qualified computer teacher at each school, and support staffs at district and state level for supervision and monitoring of the project.
